## LEARNING, TEACHING AND ASSESSMENT INFORMATION

### 6a. Module Description

The individual Dissertation/Major Project module allows you to engage in a substantial piece of individual research and/or product development work, focused on a topic relevant to your specific discipline. The dissertation topic will be assessed for suitability to ensure sufficient academic challenge and satisfactory supervision by an academic member of staff. Your chosen topic will allow you to develop your identity as a researcher, critical-thinker, creative agent, and enhance your confidence and adaptability.

This module involves secondary research only and does not require primary data generation. You will be required to carry out a literature review using publicly available documents. Any use of the internet is limited to searching for publicly available documents only. This module is exempt from the full ethical approval process in accordance with section 6 of the Academic Regulations ([www.anglia.ac.uk/academicregs](http://www.anglia.ac.uk/academicregs)).

### 6b. Outline Content

- A negotiated dissertation topic or project within one of the subject areas taught by the Department.
