LEARNING, TEACHING AND ASSESSMENT INFORMATION

6a. Module Description

In this module, you will develop an essential understanding of the concept of safeguarding and wellbeing, which is crucial for working with children.

You will gain an appreciation of the contemporary factors and challenges involved in safeguarding children, including considerations such as children's rights and multi-agency working to support both families, children and young people. The module will enable you to develop a rigorous understanding of the UK legislation and government policy guiding safeguarding provision and practices relevant to your role as a practitioner. Additionally, you will provide evidence of your engagement with supplementary training specific to UK safeguarding standards. This training will give you practical insights into current safeguarding protocols, ensuring that you can apply these standards to protect and support children effectively within professional settings.

This module aligns with Sustainable Development Goals: 3. Good Health and Wellbeing 4. Quality Education 9. Industry, Innovation and Infrastructure 10. Reduced Inequalities 16. Peace Justice and Strong Institutions
